**Re: Offer to Pay**

Dear Sir or Madam:

Sharda Cropchem Ltd. ("Sharda") is submitting a registration application to the U.S. Environmental Protection Agency ("EPA") for the product "Sharda Acetochlor Technical". This application relies on the selective method of support to satisfy generic data requirements.

In accordance with the Federal Insecticide, Fungicide and Rodenticide Act ("FIFRA") Section 3(c)(1)(F) and associated regulations at 40 CFR § 152.93 (2), you are hereby notified that:

- Sharda intends to apply for registration for the above named product containing the active ingredient Acetochlor (PC Code 121601).
- The identification of the specific data submitted under EPA Company Number 66478 and selectively cited to support this registration application is provided below with the associated EPA guideline number, title and the EPA Master Record Identification Number (MRID).
- Sharda offers to commence negotiations to determine the amount and terms of compensation, if any, to be paid for the use of the cited data. Sharda offers to pay compensation, to the extent required by FIFRA, contingent upon approval of this application by US EPA.
